	world’s most pressing challenges including climate change, and healthcare. The discussion will also focus on how companies plan to leverage research and innovation to stay ahead in an ever-evolving digital landscape.
04.00 p.m. – 04.30 p.m.	Tea Break
04.30 p.m. – 05.30 p.m.	Plenary Session IV India's Role and Opportunity in Emerging Trade Policy Dynamics The global trade policy dynamics are evolving rapidly. Economies have started revisiting their trade policies in wake of emerging geo-political shifts, supply chain realignments, and increased focus on sustainability. The shifting supply chains offers a unique opportunity to India to play a much greater role in global value chains and strengthen its footprints in global trade. The panel comprising Ambassadors of major economies and leading industrialists from India will share perspectives on evolving trade priorities, bilateral and multilateral engagements, and how India can leverage its strengths and address the imminent challenges to seize the emerging trade opportunities. The session will also focus on how enhanced trade, investment and collaborations with India is driving growth in partner economies.
6.00 p.m. onwards	B2B & Networking
