Agriculture

Wed 17th Sep

Automotive & Industrial Chemicals 1

TAFMER™
Providing Sustainable Solution to
Packaging and Automotive Industry

Harsh Kumar

11:00-11:30

MITSUI EPT™
Introduction

Hanumantha Rao.G

11:30-12:00

LUBMER™
Easy moldable pellet type UHMW-PE

Shivam Varshney

12:00-12:30

Automotive & Industrial Chemicals 2

NEXTYOL™
A Comfortable Ride solution for
Automotive seating

Subhajit Bhattacharjee

14:00-14:30

PP Compounds
Sustainable PP Compound
Driving Green

Kunika Garg

14:30-15:00

ADMER™
A Multipurpose Adhesive Resin

Rohit Shrikhande

15:00-15:30

Thu 18th Sep

Special Chemicals

CHEMIPEARL™ XSP
High-performance, water-based
Heat Seal Coating for
Pharmaceutical Blister Packaging

Vibha Pandey

ADMER™
A Multipurpose Adhesive Resin

Rohit Shrikhande

TAFMER™
Providing Sustainable Solution to
Packaging and Automotive Industry

Harsh Kumar

12:30-13:00

TAKELACT™ / TAKENATE™ Series
High-Performance PU Adhesives for
the Evolving Packaging Landscape

Arshita Sharma

Life & Healthcare Chemicals

MR™
High Refractive Index Lens Material

Suman Paul

TENEBENAL™
Unique & Novel Insecticide with
Broad Spectrum Activity

Suresh Kumar

*Kindly note that TAFMER™ and ADMER™ will have the same content on both 17th and 18th September.

About Mitsui Chemicals India Forum 2025

At the heart of our mission lies the belief that chemistry can shape a brighter, more sustainable future. From addressing social challenges to enriching daily life, the power of chemistry is unlocking possibilities we could only imagine yesterday.

In this forum, we're proud to present a range of innovative products to support your journey toward a better tomorrow – inspiring new ideas, applications, and partnerships.

Each session includes a live Q&A where you can engage directly with our experts. Join the sessions that interest you and ask your questions in real time.

Let's explore the future, together – through chemistry.

Who should register?

Anyone with an interest is welcome to join. The presentations are informative yet accessible, designed especially for professionals working in the following industries:

Automotive & Mobility, Packaging & Flexible Packaging, Electrical & Electronics, Agriculture & Pest Management, Paints, Coatings & Adhesives, Medical & Healthcare, Home & Personal Care Products, Special Engineering Coating.

This forum is particularly valuable for those exploring innovative, high-performance, and environmentally friendly materials that drive sustainability and functionality across applications.

How to join?

Register for the forum by scanning the QR code or here → <https://forum25.mitsuichemicalsindia.com/>

You'll receive a confirmation email with a link to join the session.

For any inquiry or feedback → mcind-feedback@mitsuichemicals.com
