## INTERNATIONAL CLIMATE SUMMIT 2021

Powering India's Hydrogen Ecosystem

Friday | 03<sup>rd</sup> September 2021

The **International Climate Summit 2021** is a progressive step towards a **cleaner, greener, and sustainable future**. A catalytic moment presenting these next-generation clean energy opportunities, the Summit will facilitate global collaboration in building sustainable pathways for production, storage, transportation, distribution, and ambitious deployment of hydrogen technologies.

*Hon'ble Prime Minister, Shri. Narendra Modi is being invited to inaugurate the summit.*
