Dear.....,

Greetings from FICCI!

This is further to our earlier communication on global thought leadership initiative of FICCI, **LEADS (Leadership, Excellence, Adaptability, Diversity, Sustainability)**. You are aware that the 3<sup>rd</sup> edition of LEADS is scheduled to be held from **20<sup>th</sup> – 21<sup>st</sup> Sept 2022 at The Lalit Hotel, New Delhi**, with an over-arching theme – **“Leadership for future”**. The updated program outline can be accessed on [www.ficcileads.in](http://www.ficcileads.in)

***Ministry of External Affairs, Government of India has extended its institutional support for the 3<sup>rd</sup> edition of LEADS.***

We have received an impressive response from global leaders across the world on the rich and unique content of LEADS 2022. Union ministers from Government of India, viz., **Smt Nirmala Sitharaman, Shri Narendra Singh Tomar, Shri Piyush Goyal, Shri Jyotiraditya Scindia, Shri Bhupendra Yadav** have already confirmed, while a few other acceptances are awaited.

Likewise, business delegations from **13** countries including **Bangladesh, Brazil, China, Germany, Nepal, New Zealand, Oman, Rwanda, Singapore, Uganda, UK, USA, Tajikistan** will participate in LEADS 2022. More country delegations are also being planned, making LEADS 2022 a perfect opportunity for business networking too.

Considering the exclusivity of the program and participation confirmations received, ***we plan to close registrations by 31<sup>st</sup> August, 2022.*** In case you and your colleagues have not registered, we request you to please register TODAY on [www.ficcileads.in](http://www.ficcileads.in). Mr Samir Narula (leads@ficci.com), will be glad to assist you, if you so require.
