

Morning Pitch Asia @ India 26th Sep 2023 : Indian Agri Market - Omnivore

We are back with the Hybrid edition of Morning Pitch Asia @India, on 26th Sep, 2023. This edition has promising start-ups with revolutionary technologies from Indian Agri Market from the portfolio of India's leading Agri focused VC - Omnivore.

Morning Pitch is the pitching platform hosted by Deloitte where we aim to create collaborations between large corporations/investors and startups.

The event series was originally launched in Japan in 2013, where it has been organized over 450 times, over 2,000 startups have pitched, and more than 65 IPOs and 450+ business alliances have been created.

Omnivore Capital are India's leading VC in Agri and Food system sector. Their investment themes include Farmer Platforms & Fintech, B2B Agri Marketplace, Farm to consumer, Precision Agriculture, Post-Harvest technologies and Agri-food sciences. Omnivore has been funding entrepreneurs building the future of agriculture and food systems since 2010.

Pitching Start-ups

Ecozen : Ecozen is a technology company that develops climate-smart deep-tech solutions around its core tech stacks of motor controls, AI & IoT, analytics, and thermal energy storage for applications in agriculture, e-mobility, industries, and households. <https://www.ecozensolutions.com/>

Dvara E-Registry : Provider of tech-based farming services for farmers and agribusinesses. It offers market linkages, crop and weather advisory, FPO management, price alerts, and accounting services for FPO. Its platform enables farmers to do real-time crop monitoring and identify creditworthy farmers. It also facilitates the connection between creditworthy farmers to financial institutions and end-to-end loan disbursement services. <https://www.dvaraeregistry.com/>

DeHaat App-based platform offering AI-enabled supply chain and consultancy services. It provides soil testing, yield predictions, and consulting services. It employs artificial intelligence technology to monitor supply chain activity. It is also involved in offering agricultural financing solutions to farmers, such as credit and insurance for agricultural-related activities. <https://agrevolution.in/>
