私たち（NDIM）はインド人従業員と日系企業との関係が少しでもスムーズになればと思いこのイベントを開催します。また、このイベントを通しインド人学生が日系企業で働く心構えができればともっています。このイベントは、JETRO JCCIIとのパートナーシップによるものです。

We (NDIM) are organizing this event on 21st Feb 2024 in the hope that the relationship between Indian employees and Japanese companies will become smoother. We also hope that this event will help Indian students to get an idea of what it is like to work for a Japanese company. This event is organized in partnership with JETRO AND JCCII.

本イベントの目的は、日系企業と日系企業で働くインド人従業員とのギャップを埋め、繋がりを強固にするプラットフォームを作ることです。参加者は、インドでの効果的な採用方法や、育成方法を、SDGsを念頭に置きつつ、日本、インド双方の視点から学びます。

The aim of the event is to bridge the gap between Japanese companies and Indian employees working for Japanese companies and to create a platform to strengthen the connection. Participants will learn how to effectively recruit and train employees in India from both Japanese and Indian perspectives, keeping the SDGs in mind.
