### Pitching Start-ups

#1

**Nayan** : AI-driven solutions for road condition alerts. It gathers decentralized data of roadways from dash cameras, street cameras, Highway CCTV cameras, and more. Provide information to the drivers regarding risk-free routes, optimum paths, and more. Also, they offer information about the routes taken by their vehicles and monitor driver's behavior for transportation companies. [NAYAN AI - Search for Anything Anywhere](#)

#2

**Digital Paani** : Digital Paani is a complete Water Management company offering products and services for industrial and commercial building owners. Their products and services cover Drinking Water, Sewage Recycling, Mechanical & Filtration, Pumping / Water Distribution, etc. The company offers complete installation and operation as well as maintenance support for their installed plants in sewage treatment, RO water purification, etc. [Digital Paani |](#)

#3

**Ecovia** : Ecovia delivers a complete range of environment-friendly hygiene solutions for businesses that help improve operational efficiency and save up to 40% of costs spent on cleaning chemicals. We help in creating a positive environmental impact by eliminating single-use plastic, saving freshwater reserves and limiting carbon emissions. [\(1\) Ecovia: Overview | LinkedIn](#)
