About Kaseyyaka

Kaseyyaka – The Authentic Banarasi Store, located at M.G. Road, Arjan Garh, New Delhi is having a unique operating business model. We are carrying forward the legacy of our ancestral business that originally started more than 50 years back in the remote Banarasi Saree Satti. In this journey several small and medium scale weavers have been a part of our journey for many generations now.

Together we have been witnessing the ups and downs of the market all through these years. Our bonding and reliance has deepened with time. This is why Kaseyyaka doesn't operate as a regular retail shop.

Kaseyyaka puts in efforts to directly let the weavers showcase their exquisite handmade sarees through our online platform. These sarees are mostly in raw conditions, and the weavers get this opportunity to showcase huge numbers and varieties of sarees made by them. At the same time for our customers it is a unique experience to connect to the weavers on ground.

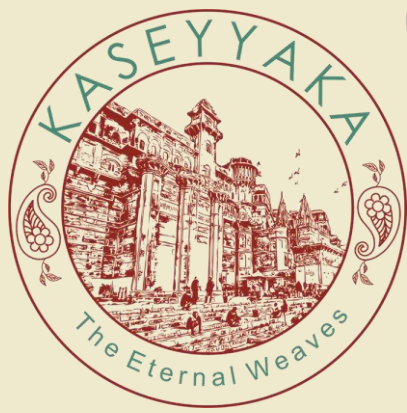

In many of the exclusive sarees categories the sarees are made available under made-to-order scheme only.

We educate our esteemed clients and help them understand the different varieties of fabrics, weaves in which Banarasi sarees and dress materials are available, and along with it about the intricacies involved in their weaving. The fabric feel and quality can be physically verified and understood through the stock or samples available at our store.
